Sweet Melancholy / Amai Yuuutsu (published 2008.12.30)
Sweet Secret / Amai Himitsu (published 2009.05.05)
Sweet Heart / Amai Kokoro (published 2010.12.31)

A three part work, the 'Amai' series.

Though the publishing period for these 3 pieces was considerably spaced out, not much time has passed in the manga itself. They were a series of events which resolved themselves over the winter.

I had a considerably good time drawing the two in this series.

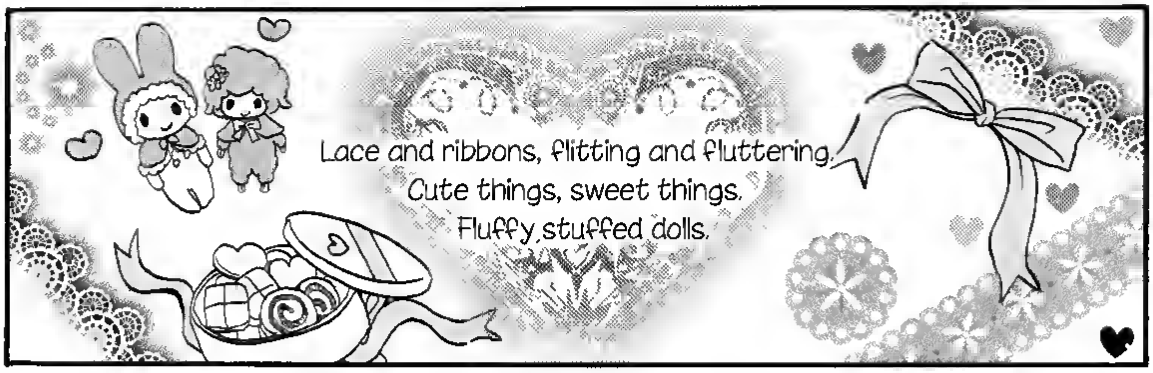
However, drawing a 'cool-type' girl was sure difficult... That's why the characterization might be a bit poor. I feel like asking for Nagisa's forgiveness a little.

I had both of them appear in the other connected stories of 「Nisemono No Koi」 'Fake Love'.

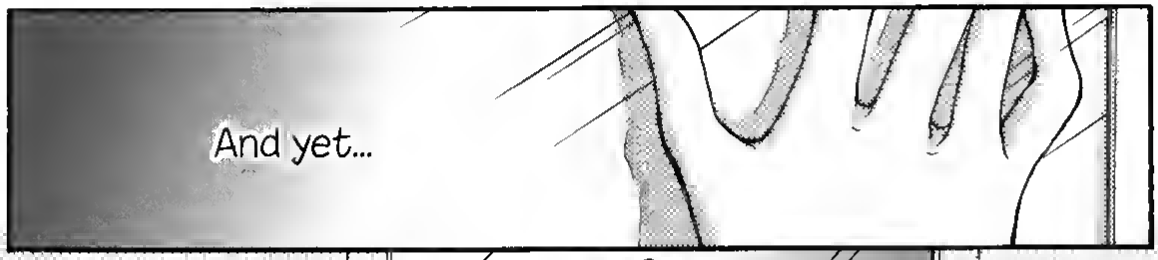
Drawing a connected story like this was fun.

Aside from that, I took the liberty (since this was a doujin) to draw those interesting stuffed dolls. If you took enjoyment from this humble story it would be my happiness.

To the right is a paper illustration published 2009 May at Comitia.



I love such 'girly' things.



And yet those cute things do not suit me at all.

A 170cm tall body, a completely flat chest.

What irony to be born, with this kind of figure.

Even though it doesn't suit me, I went and bought another one.

Like that girl over there, for example...
That Fluffy hair, tiny stature, and a cute voice
I wanted to be born with these characteristics...
Ah,
Umm,
Nagisa-senpai!
Yes!
I- I'm a first year, Shirayuki Momoka Nagisa-senpai, I-
Eh?
Ah, me??

Love you!
E...h?
甘いユウウツ
Amai Yuuutsu/Sweet Melancholy

A sparkling and dazzling girl,
exactly the type I want to be,
confessed to me!?
Um Er
I'm happy, really, but we're both girls, and
I actually kind of doubt
I'm really the type of person you think I am y'know?
Ah, I didn't just make her cry, did I?
startle
I-
I like-I
every-thing
about you, Nagisa-senpai!
So, please don't say that sort of thing!

Wa, Waah.
That confession nearly gave me a heart attack
-And now you're going out with that girl?
Hmm...?
W— We're not going out! We're friends!
'Cause we're both girls, y'know!
worry

What should I do? What should I do?

Nagisa-senpai ♥
Uuuuu
Er, no, wait wait.
It's not like I actually have to do that...
Um
So, in that case, I'll come back at lunch?
Ah, um, I have a bentou
I made a lot, including senpai's portion, so if you'd like
Sure
Ah, but,
I usually eat at the school cafeteria
Eh?
Is that alright!?
Ah, no
I'll come meet you at lunchtime then
Since you even made me a bentou, right?

What exactly do you mean...?
If you're gonna take it farther, be prepared to deal with what comes with it, alright?
Ah!
No, not really. It's just
Ah... Did I gross you out?

Tadaah♡

Eeh? T-t-t-that wasn't my intention
Yeah, as thanks for the bentou the other day
I'd feel guilty
Please take it
Eh? This is
A plush doll?
That's why, this time,
I want to properly respond to this girl's expectations.
Ah, eri Y- yeah, bought by my mother!
'Cause, they don't suit me, and they definitely suit Momoko
Ah
Eh? At senpai's place?
Ah, um, I've got a lot more at my house in the first place, so
Don't feel so obliged
—
.....
Then this plush toy,
I'll treasure it as if it were senpai

Then, I'll return to class now–
Ah, behind you the wall –

Senpai?

Is something the matter?

My heart's made up.
I want to be this girl's prince.

INFIRMARY
Even though I'm being enveloped, in this gentle scent...
Se- Senpa -
Eh? Huh?
Er ? Where am ?
Sensei won't be back for a while
The infirmary seems like you overworked yourself, so you should rest a while, is what sensei said
Eh ?
Overworking ? I couldn't have
?
Ah...
Being together with me you pushed yourself to do it, right?

at all
I really wanted this...
What should I do?
Eh, no way
You didn't cause me trouble
Momoka is crying...
I didn't realize, that I was causing you trouble
I'm sorry
drip
drip
Geez, I'm pathetic. But I just don't know anymore.
This can't go further. I can't lie to myself.
I'm sorry
But I'm not able to become your prince anymore, Momoka

So that means, this is really senpai's beloved, personal doll, isn't it?
Hmmst.
I thought that I could always stay by Momoko's side
That's why, if I hid my true self,
It doesn't match my appearance at all, but it's all I think about
The truth is, I really love cute things
I didn't have any confidence that she would like me for my true self.
But, by pushing myself, I collapsed as a result.
That I liked everything about senpai
I said it from the beginning, didn't I?
blusssh
Eh ?
Ah, yes That's correct

Whaaat?
Wha-...?
That senpai was a girl who liked cute things
I already knew from the start

Eh...?
...Is it, okay?
Because I was happy you were doing so much for me, I haven't been able to say it up to now, but...
Don't strain yourself anymore
As you are right now...
I want to know all your cute points, senpai
The me as I am right now...
If you don't like it,

To be much more clever than I'd thought.
